Criterion II – Teaching-Learning and Evaluation

Key Indicator - 2.2 Catering to Student Diversity

2.2.1 The institution assesses students' learning levels and organises special programmes for both slow and advanced learners:

Present a write-up within a maximum of 200 words.

The identification of distinct levels of students learners are identified through internal test performance, teacher-student interactions, Class Committee meetings, and mentor session by counselors. Principal, Head of the Departments and Faculty members examine academic progress on a regular basis and advice students on how to enhance their performance in order to ensure academic progression. The following ways are being utilized in our institution for motivating the students to improve their learning levels

For Slow learners:

- Special care is taken for slow learners by conducting retests, providing important topics for exams and clarifying their doubts.
- Special classes are being conducted in the regular working hours.
- Before commencement of end semester examination, special coaching classes are conducted for Slow learners
- Slow learners are periodically motivated and counselled by the counselor.
- Collaborative learning methods are followed by grouping the batch members in the mini projects and also in laboratory sessions involving equal numbers of slow learners and advanced learners. This method enhances the knowledge of slow learners substantially.

For Advanced Learners:

- The students are encouraged to attend placement training activities for their skill development.
- The students are encouraged to participate in various technical programmes such as value added courses, industry certificate courses, consultancy works, and online certification courses etc.
- The students are motivated to participate in the professional development activities such as internship, conference and project expo contests etc.
- Special attention is given to advanced learners for participating in competitive examinations like GATE, public service examinations and encouraged to attend the NPTEL Examination courses and etc.

- Class toppers are awarded cash prizes during parent-teacher meet.
- Advanced learners improve their organizing skills through club activity classes which are conducted in the college hours.
