Criterion II – Teaching-Learning and Evaluation

Key Indicator - 2.5 Evaluation Process and Reforms

2.5.3 IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution:

2.5.3 IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution:

Describe the examination reforms with reference to the following within a minimum of 200 words

- **Examination procedures**
 - **Processes/Procedures integrating IT**
 - **Continuous Internal Assessment System**
-
- The Department exam cell in charge is responsible for the smooth conduct of internal examinations.
 - A formal notification for internal examination is duly served to all the faculty members by the department exam cell in charge.
 - Faculty members are expected to submit their descriptive type and MCQ question papers to the department exam cell in charge after getting approval and verification from the HoD before the commencement of internal examination.
 - The both question papers are uploaded to the respective Google Class Room and scheduled to students on time.
 - After receiving the question paper, the students complete their descriptive type exam and upload their answer scripts to Google Classroom and attend the Online MCQ Exam.
 - Before evaluating the answer scripts, the answer keys are prepared by the faculty members and approved by the HoD. After evaluation of answer scripts the marks are uploaded in the respective Google Classroom. Marks are recorded for obtaining the COs attainment.
 - End semester examinations for practical courses conducted via online mode with help of Online Tools and Students activities monitored via Google Meet.
 - End semester examinations Odd Semester theory courses are conducted by MCQ pattern question by CoE ERP software and Even Semester by descriptive pattern question via Google Classroom online mode and every assessment recorded.
