Criterion II – Teaching-Learning and Evaluation

Key Indicator - 2.6 Student Performance and Learning Outcomes

2.6.1 Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students:

While addressing the students, the HODs create awareness on POs, PSOs and COs. The faculty members, class teachers, mentors, course coordinators, program/ISO coordinators also inform the students and create awareness and emphasize the need to attain the outcomes.

Program specific outcomes (PSOs) are the specific skill requirements and accomplishments to be fulfilled by the students at micro level and by the end of the program. Program Outcomes (POs) are broad statements that describe the professional accomplishments which the program aims at, and these are to be attained by the students by the time they complete the program. POs incorporate many areas of inter-related knowledge, skills and personality traits that are to be acquired by the students during their graduation.

Course outcomes (COs) are direct statements that describe the essential and enduring disciplinary knowledge, abilities that students should possess and the depth of learning that is expected upon completion of a course. They are clearly specified and communicated. The Course Outcomes are prepared by the course coordinator in consultation with concerned faculty members teaching the same course. The Module coordinator will verify it. Finally, they are discussed in the concerned department's BOS meeting course-wise and approved.

Dissemination of POs, PSOs and COs:

POs and PSOs are displayed on the walls of each and every classroom so the students and teachers can perceive and work with perseverance. Also the soft copies of the curriculum and course outcomes are also uploaded on the website of the Institution for reference. Hard copies of Course plans are given to all students and teachers for ready reference. Moreover, students are acquainted with the same through tutorial meetings.
