---

## Criterion III – Research, Innovations and Extension

### Key Indicator - 3.1 Promotion of Research and Facilities

**3.1.1 The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented:**

The institute provides all necessary infrastructural facilities and a conducive environment to promote research activity in the campus. Faculties are encouraged to apply for various funding agencies and pursue their research. Students also encouraged to apply their project ideas to various funding agencies are also motivated to participate in various Hackathons and competitions being held through Government, Industries & Institute.

A thorough review is done for all research proposals seeking funding from various funding agencies by consulting the research committee comprising the Research Coordinator, Head of the department, Dean (R&D) and finally by the Principal. They also monitor the impact of research and consultancy for ensuring non-violation of research & consultancy ethics, professional ethics, privacy of the people, human rights, safety and health issues of humans and disaster to the property.

Incentives are being provided to all the faculty members for consultancy projects and also for funded Projects/Seminars/Workshops/ Faculty Development Programs/Short Term Training Program. KNCET recognizes the high impact factor journal publications, h-index of the institute through citations, patents and book & conference publications.

The department of Electronics and Communication Engineering is recognized as the research center by Anna University, Chennai for research scholars to pursue Ph.D in fulltime as well as Part-time.

Kongunadu Innovation and Start-up Policy(KNISP'21) is framed in association with NISP 2019, TNSIP 2018 and Anna University for Students, Faculty Members, Alumni and Outside Entrepreneurs. Service Rules(Research Promotion Policy):
