Entrepreneurship Development Cell

Entrepreneurship Development Cell (EDC):

The Entrepreneurship Development Cell (EDC) is established with the aim of fostering entrepreneurial skills among students. It serves as a platform to inspire, educate, and support students in transforming their innovative ideas into viable business ventures. EDC works to create awareness about entrepreneurship as a career option and provides guidance, mentoring, and networking opportunities to budding entrepreneurs.

Vision:

To be a catalyst in creating a vibrant entrepreneurial ecosystem that nurtures creativity, innovation, and sustainable enterprise development.

Mission:

- To inculcate the spirit of innovation and entrepreneurship among students.
- To provide support for idea validation, business development, and funding.
- To create awareness and promote entrepreneurship as a viable career option.
- To collaborate with industries, incubators, and entrepreneurs for mentoring and resource sharing.

Objectives:

1. To promote entrepreneurship culture among students.
2. To organize workshops, seminars, and guest lectures by successful entrepreneurs.
3. To support students in developing business plans and prototypes.
4. To facilitate interaction between students and industry experts.
5. To help students gain access to funding opportunities, incubators, and startup accelerators.
6. To conduct entrepreneurship awareness programs (EAPs) and idea competitions.
7. To guide students in patenting and commercializing their innovations.
