Workshop on "Data Analytics Tools"

The Kongunadu College of Engineering and Technology along with National Cyber Security Research Council, Department of Artificial Intelligence and Data Science has organized a Workshop on "Data Analytics Tools" on 13.03.2023 at our institution through Physical mode. The students belonging to the department of Artificial Intelligence and Data Science are participated in this event. The program was started with a welcome address delivered by Ms. Madhumitha T (II-AD). The Resource person Mr. S.S.Sivakumar, Guest Faculty, Birla Institute of Technology and Science, Chennai was acted as the resource persons for this programme.

This Workshop is a unique program for engineering students, focused on the Data Analytics Tools Database Connectivity practically explained to the students. The industrial expectation in the field of Big Data Analytics, Data Science and Deep Learning skills, technical skills, scope of Big Data Analytics using different Big Data Analytics Tools and technology changes in order to day by day technology evolution were discussed with students. Placement oriented references has been shared for making healthy network among students and corporate people.

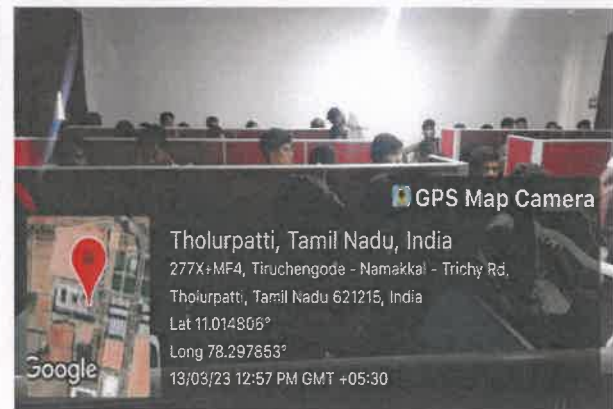

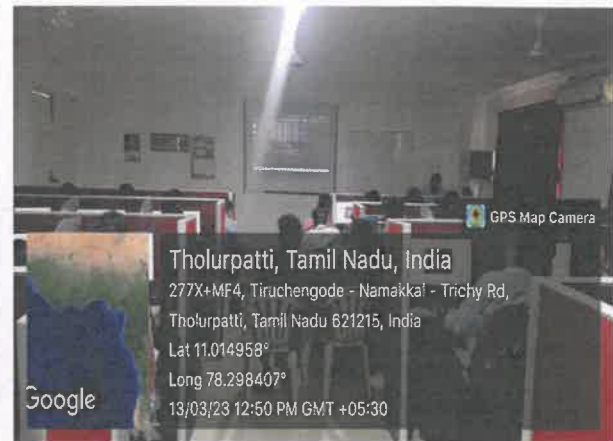

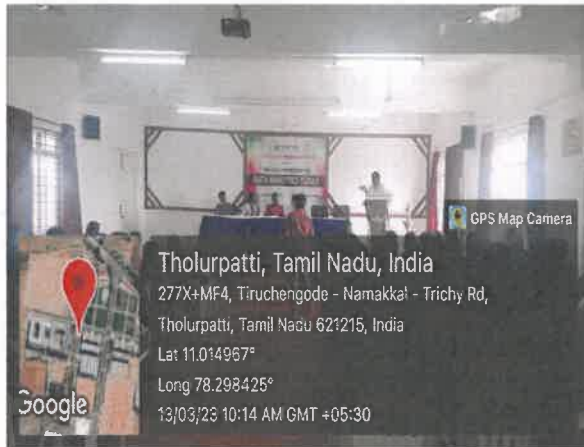

The program ends with a vote of thanks from Mr. Sabari Kameswaran S (II-AD).
