Engineering and Technology,  
Tholurpatti (Po), Thottiam (Tk),  
Trichy (Dt). Pin : 621 215.

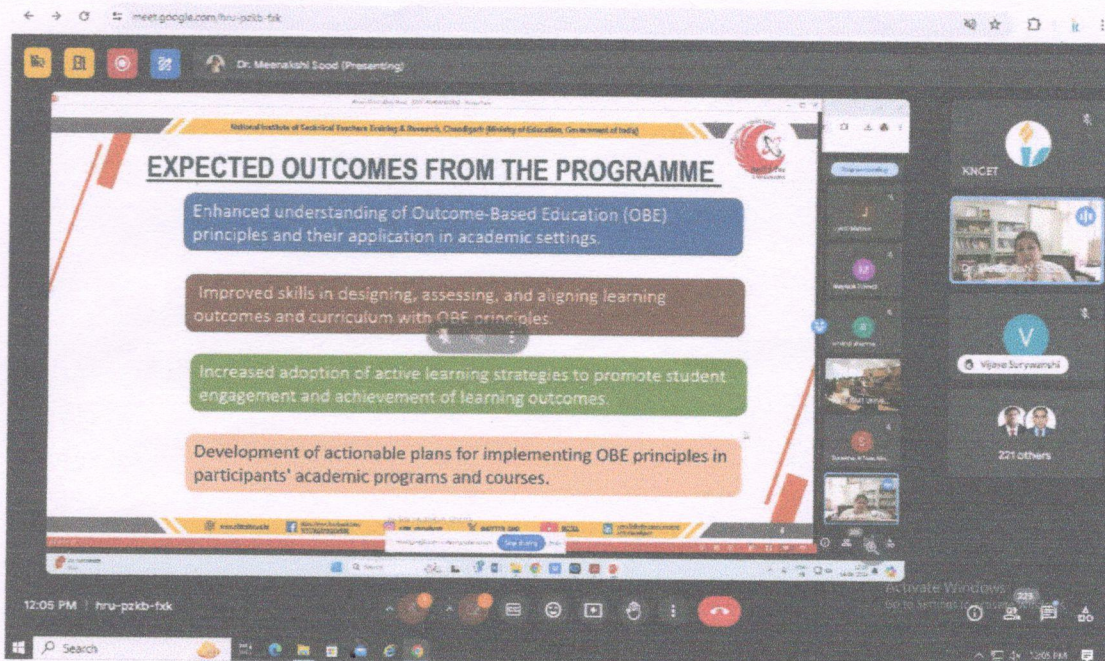

Chief Guest addressed about the Curriculum, Assessment and Evaluation

The chief guest **Dr R.Mehra, Professor, National Institute of Technical Teachers Training and Research, Chandigarh** has delivered about how to gather information about the course content which is from available resources related to the content, the respective course outcomes, course expectations, and students learning needs. He has also explained about how to select content, fundamental concepts related to the content, appropriate learning activities, instructional method, support system (media) relevant for the learning environment, and assessment methods that directly reflect the attainment of the intended learning outcomes.

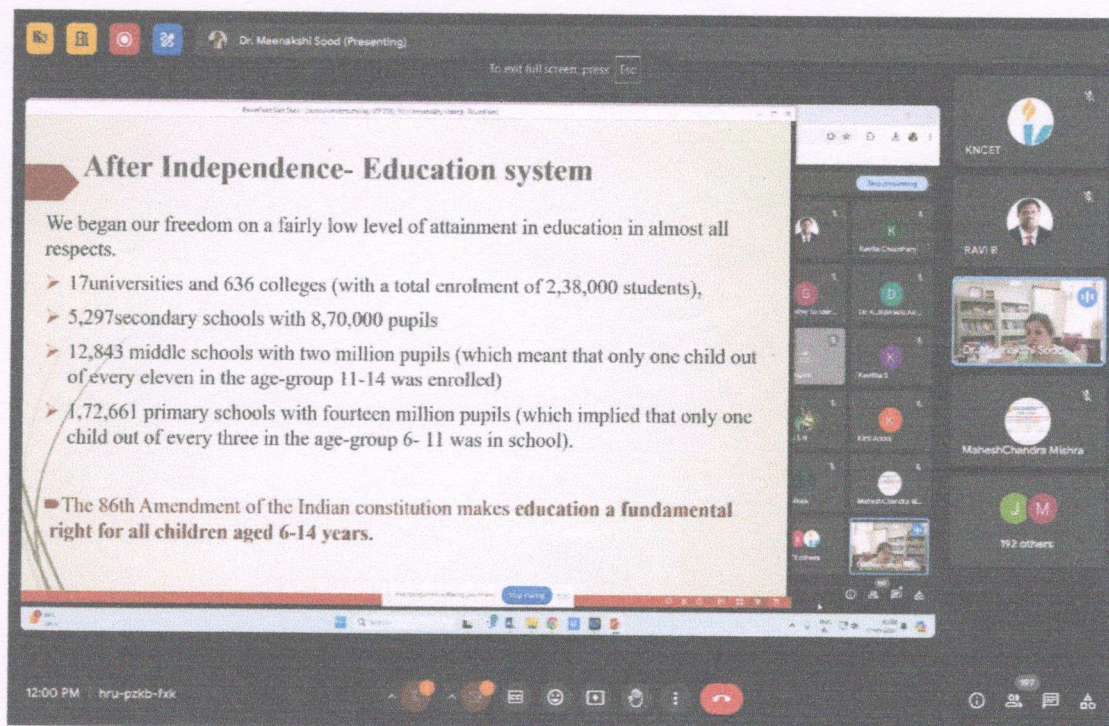

The FDP on “Curriculum Design for Outcome Based Education” conducted by NITTTR, Chandigarh will enable the faculty members to Ensure the learning strategies and assessment techniques to be aligned with the learning outcomes.

There were 28 faculty members in attendance. The informative seminar covered how to design the intended learning outcome based on the course learning outcomes and program outcomes as far as possible. After completing of 5 days FDP, Faculty members were quoted many questions and ended up with an interactive session. **Dr.J.Preetha, Dean Academic & IQAC** has given the vote of thanks to course coordinator including the Chairman, the Principal, the Dean R&D, the HOD and Faculty members.
