KONGUNADU COLLEGE OF ENGINEERING AND TECHNOLOGY**(AUTONOMOUS)****NAMAKKAL- TRICHY MAIN ROAD, THOTTIAM, TRICHY****INTERNAL QUALITY ASSURANCE CELL****PROGRAM REPORT****Academic year / Semester: 2023-24 / Even Semester****Date: 16.03.2024**

Internal Quality Assurance Cell conducted a five days Faculty Development Program on “**Digital Tool for Teaching and Learning**” from **11.03.2024 to 15.03.2024** for the academic year of 2023-2024. Faculty members of our institution (53) have participated in this FDP. We express our sincere thanks and grateful acknowledgment to our honorable chairman **Dr.PSK.Periyaswamy**, for providing the facilities. We extend our sincere gratitude and respectful acknowledgment to our Principal **Dr.R.Asokan**, for his support and encouragement. We thank **Dr.J.Yogapriya, Dean (R&D)** for her technical support. **Dr.J.Preetha, Dean Academic & IQAC** has delivered the special address pointing out the importance of Digital tools needed for teaching. **Dr.R.Asokan, Principal** has delivered the principal address and **Dr.R.Saravanan, ASP/CIVIL** has proposed the welcome address coordinated this program.

The chief guest **Dr Rakesh Wats, Professor, National Institute of Technical Teachers Training and Research, Chandigarh** has explained the need to change their traditional teaching methods and become accustomed to evolving technology-centered digital way of teaching his exclusive course is preparing teachers for the new journey, to help faculty members change their teaching style to meet the demands of this new digital world and help them achieve their teaching goals, motivate students to learn from isolation, promote team work in digital space and assess their knowledge with / without exams or assignments. The FDP on “**Digital Tools for Teaching and Learning**” conducted by NITTTR, Chandigarh will enable the faculty members to integrate online technologies into teaching and make the challenging activity into something simple by helping choose ethically appropriate digital pedagogy and benefit both students and teachers to achieve excellence in learning. Teachers, on the successful completion of the course can build a Learner Directed Digital Learning environment at institution with ease. From March 11 to March 15, 2024. There were 53 faculty members in attendance. The informative seminar covered how to create a virtual library to share books and notes with students as well as how to use a white board and paddle. Information on using poll everywhere to create and administer online surveys and software for authoring and formatting articles in Latex was also discussed. After completing of 5 days FDP, Faculty members were quoted many questions and ended up with an interactive session. **Dr.J.Preetha, Dean Academic & IQAC** has given the vote of thanks to course coordinator including the Chairman, the Principal, the Dean R&D, the HOD and Faculty members.
