We express our sincere thanks and grateful acknowledgement to our honourable chairman **Dr.PSK.Periyaswamy**, for providing the facilities. We extend our sincere gratitude and respectful acknowledgment to our Principal **Dr.R.Asokan**, for his support and encouragement. We thank **Dr.J.Yogapriya, Dean (R&D)** for her technical support. Mr.N.Premkumar, HOD Depart of IT has delivered the special address pointing out the Human Rights and Impact of Education. **Mr.G.Karthik, Assistant Professor/IT**, has delivered the cordial welcome address and **Mrs.M.Mythili, AP/IT** coordinated this program.

The chief guest **Mr.Bala Sasikumar, B.Tech., Bl., Advocate, Chennai** has explained everyone should be able to access quality education, regardless of their postcode or bank balance. Sadly, this isn't always people living in remote and rural areas, First Nations communities and children from migrant backgrounds often lack equitable access to education. It's been made worse by the pandemic – highlighted by the widening digital divide. Developed by the leadership of the Section's Education Committee, this series explored the significance of access to quality education as a prerequisite for meaningful participation in American democracy. It's not only preparing students to take their place as qualified workers in society but also as citizens and individuals engaged with the constant and dynamic reformation of societies towards a vision that would reflect the valued of human rights. For her “the importance of non-discrimination is a solid principle of human rights and applies to all levels of education”. **Mrs.M.Mythili, AP** of INFORMATION TECHNOLOGY has given the vote of thanks to all including the Chairman, the Principal, the Dean R&D, the HOD and Faculty advisors without them the event will not be possible. He thanked the chief guest for grating the occasion by his solemn presence and to all the students who were the main ingredient of this function.
