Interaction with Students

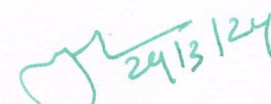

The seminar for the academic year 2023-24 was conducted for all first-year students. Dr. J. Preetha, M.E., Ph.D., Dean (Academic & IQAC) and Professor of Artificial Intelligence & Data Science at Kongunadu College of Engineering and Technology (Autonomous), Namakkal-Trichy Main Road, Thottiyam Taluk, Tholurpatti, Trichy, led the seminar. Dr. Preetha is a well-known motivator who has received several awards for her achievements in various levels of motivation, guidance, and counselling.

The seminar began at 11:30 a.m., with Dr. Preetha motivating the students on the importance and benefits of NPTEL courses. She discussed how NPTEL courses can enhance their academic and professional skills, illustrating her points with several videos. Dr. Preetha also explained how these courses can help maintain a balance between personal and professional life, and how to effectively utilize the knowledge gained from NPTEL courses to build better relationships with friends, elders, family members, and society.

Finally, she guided the students on developing their moral, ethical, and social values, which will help them navigate various circumstances, including education, external participations, research, and future careers. The program concluded at 12:30 p.m.
