DEPARTMENT OF CIVIL ENGINEERING

BULLETIN

About Civil Department

The Department of Civil Engineering was started in the year 2010. It offers an undergraduate course in Civil Engineering with an intake of 120 students. Our main goal is to be the centre of excellence for the development and dissemination of knowledge in Structural Engineering, Construction Engineering and Management, Water Resources and Management, Transportation, Environmental Engineering, Urban Engineering, Geotechnical Engineering, Remote Sensing, GIS and its applications. The Department have good infrastructure and it is well equipped with state-of-the art laboratory facilities necessary for imparting high quality education and is structured to meet our present day needs of the Civil Engineering field. Students from our Department have always proved to be meritorious. The department has well experienced and qualified faculty members who are regularly presenting papers in national and international conferences and publishing their technical papers in reputed journals.

Industry Interaction of Student Chapter

Seminar / Webinars Organized

A webinar on "Concrete Sustainability and Civil Engineering Aspects" held on January 30, 2025 and Mr.B.Suresh,M.Tech., Senior General Manager-Technical Service from Chettinad Cement Coporation Pvt. Ltd., Egmore, addressed the students.

Guest Lecture on "Emerging Trends in Civil Engineering" held on February 1st, 2025 at college premises and Mr.T.Hemachandar,B.E.,M.B.A., Director, BIM Institute of Digital Construction, Tekla Authorized Training Institute from Tiruchirappalli enlightened the students with his presentation.

A national level workshop on "Integrated Mechanical Electrical Plumbing (MEP) systems for Commercial Building" held on February 24th, 2025 at college premises and Mr.V.Muthu Prakash,B.E., MEP Engineer, AGHORA Group of Company from Coimbatore addressed the students.

A webinar titled "Streamlining Operations: Essential Planning and Scheduling using Primavera P6" was conducted on March 14, 2025. The session was led by Mr.R.Tamilamuthan, M.E., Professional Service Consultant at Infinity PMC Solutions Private Limited, Chennai, who delivered an insightful lecture on the topic.

A seminar on "Eco-Friendly and Sustainable Paints" was held on March 26, 2025. The session featured Mr.V.Jeevithan,B.E., Junior Engineer at TNPL (Unit-2), Manaparai, Tiruchirappalli District, who graced the occasion as the Chief Guest and delivered an informative presentation on the topic and he had a good interactive session with the students.

Kongunadu Innovation Council (KIC):
As part of the IIC activity, Kongunadu Innovation Council, in Association with Department of Civil Engineering, conducted a program on "Prototype/ Process Design and Development" on May 30th, 2025.

Kongunadu Innovation Council (KIC) celebrated National Youth Day by conducting a seminar on "Empowering Youth to shape the future of Civil Engineering and M.P.Iniya, Innovation Ambassador of KIC presented the seminar to the students on January 31, 2025

ICI - Student Chapter :

One day Seminar on "Building Career in Civil Engineering after graduation" was organized on 28th March, 2025. The resource person was Er.S.Rajasekar, Proprietor, Veero Engineers, Mangalapuram, MC Road, Thanjavur.

One day Seminar on "Very Amazing Concrete"

A workshop on "Real-Time DGPS Systems: Setting Up and Operational Best Practices" was conducted on April 8, 2025, at our college premises. Mr.S.Southamirajan, Assistant Professor, Department of Civil Engineering, and Mr.M. Sakthivel, Assistant Professor, Civil Engineering, KNCET, served as the Chief Guests for the event and delivered insightful presentations on the topic.

Five days online Faculty Development Programme on "Emerging Technologies in Civil Engineering - 2K25" were conducted and various resource person from the prestigious institutions addressed the faculties from June 9th to June 13th, 2025.

MOU Signed :

Department of Civil Engineering signed a MOU with Geometrics Space Structures Private Limited, Coimbatore on March 13th 2025.

Hackathon :

The Department of Civil Engineering organized a Hackathon titled "INFRA HACKZ-2K25", exclusively for Civil Engineering students, focusing on various domains within the discipline. Participants showcased innovative solutions and presented their capstone projects, demonstrating creativity, technical skills, and problem-solving abilities.

The top three projects were selected based on their innovation, feasibility, and impact. The winning teams were awarded cash prizes of ₹3,000, ₹2,000, and ₹1,000 respectively, in recognition of their outstanding contributions.

First Prize - A New Era in Real-Time Water Quality Monitoring - Rs.3000/-

Second Prize - Enhancing Building Security with Smart Automation

Next - Fen Farming : Automated Irrigation with Sensors - Rs.2000/-

Third Prize - Aerial Surveillance System using Drone - Rs.1000/-

Faculty Publications in International Journals :

Faculty Participation in FDP/STTP :

Dr.S.Kavipriya, Professor/ Civil Engineering

- FDP on 'Forensic Engineering of Structures' organized by CK College of Engineering and Technology, Cuddalore on 17.03.2025 to 21.03.2025.

- FDP on 'AI and Cloud-Based Tools for Research' organized by NITTTR at Kongunadu College of Engineering and Technology from March 24th to March 28th, 2025.

Dr.R.Saravanan, ASP/ Civil Engineering,

- FDP on 'Science, Technology and Innovation for Sustainable Development' organized by Kongunadu College of Engineering and Technology, Trichy on 27.01.2025 to 31.01.2025.

- FDP on 'Industrial Wastewater Treatment' organized by NPTEL-AICTE, during Jan to April 2025.

Dr.N.Sridhar, AP /Civil Engineering,

- FDP on 'Forensic Engineering of Structures' organized by CK College of Engineering and Technology, Cuddalore on 17.03.2025 to 21.03.2025.

Dr.P.Prabhu, ASP /Civil Engineering,

- FDP on 'Artificial Intelligence in Disaster Mitigation and Resilient Structure Design' organized by SRM Institute of Science and Technology, Ramapuram, Chennai on 03.02.2025 to 08.02.2025.

- FDP on 'Disaster Risk Management Analysis and Mitigation' organized by K.S. Rangasamy College of Technology, Namakkal during 17.02.2025 to 22.02.2025.

- FDP on 'Recent Advancements in Mechanical Engineering and its Applications' organized by Swarnandhra College of Engineering and Technology, Andhra Pradesh on 21.04.2025 to 26.04.2025.

Mr.M.Sakthivel,AP/Civil Engineering

- FDP on 'GIS and Remote Sensing Application in Civil Engineering for Sustainable Energy and Climate Management' organized by Buddha Institute of Technology, Uttar Pradesh on 20.01.2025 to 25.01.2025.

- FDP on 'Artificial Intelligence in Disaster Mitigation and Resilient Structure Design' organized by SRM Institute of Science and Technology, Ramapuram, Chennai on 03.02.2025 to 08.02.2025.

- FDP on 'Disaster Risk Management Analysis and Mitigation' organized by K.S. Rangasamy College of Technology, Namakkal during 17.02.2025 to 22.02.2025.

- FDP on 'Enhancing Infrastructure Longevity through Innovative Concrete Technologies' organized by K.S.Rangasamy College of Technology, Namakkal during 19.03.2025 to 25.03.2025.

- FDP on 'Remote Sensing Essentials' organized by NPTEL-AICTE on Jan to April 2025.

Mr.S.Gowtham, AP /Civil Engineering,

- FDP on 'Science, Technology and Innovation for Sustainable Development' organized by Kongunadu College of Engineering and Technology, Trichy on 27.01.2025 to 31.01.2025.

Mr.D.Dhavashankaran, AP /Civil Engineering,

- FDP on 'Methods of Research and Publication Ethics' organized by Kongunadu College of Engineering and Technology, Trichy on 17.02.2025 to 21.02.2025.

Student's achievements in Competitions

• S.Gowsika and R.Poorani of III-year Civil Engineering had participated in TANCAM'S Hackathon of Tamilnadu Women in Science and Engineering (TNWISE 2025) and won cash prize of Rs.10000/- held on 21st March,2025.

• G.Soundarya of II-year Civil Engineering Department participated in START MUSIC held on March 7th 2025 at Kongu Engineering College and secured first place.

• A.Vinothini of II year Civil Engineering Department participated in START MUSIC held on March 7th 2025 at Kongu Engineering College and secured first place.

• S.Amudha of II year Civil Engineering Department participated in START MUSIC held on March 7th 2025 at Kongu Engineering College and secured third place.

• S.Amutha of II year Civil Engineering Department participated in SURVEY SPHERE held on March 7th 2025 at Kongu Engineering College secured third place.

• A.Jabeen of III year Civil Engineering Department participated in QUIZ NEXUS and won first place held on March 13th, 14th and 15th, 2025 at Karpagam College of Engineering.

• V.Nethra of III year Civil Engineering Department participated in QUIZ NEXUS and won first place held on March 13th, 14th and 15th, 2025 at Karpagam College of Engineering.

• A.Archana and P.Vaishnavi and D.Swetha sri of III year Civil Engineering Department participated in CONNECTION held on March 28th 2025 at Adithya Insititue of Technology and won first prize.

• V.Divakaran of III year Civil Engineering Department participate in LOGO DESING held on March 24th 2025 at N.S.N.College of Engineering Technology

• V.Divakaran of III year Civil Engineering Department participate in LOGO DESING and won first place held on March 24th 2025 at AVS College of Technology.

• R.Jasvitha of III year Civil Engineering Department participate in HEAD PHONE CHALLENGE held on March 24th 2025 at AVS College of Technology.

• V.Nethra of III year Civil Engineering Department participate in HEAD PHONE CHALLENGE held on March 24th 2025 at AVS College of Technology.

• V.Divakaran of III year Civil Engineering Department participate in MODEL MAKING held on March 24th 2025 at N.S.N.College of Engineering and Technology.

• N.Nithish and P.Gowtham of III year Civil Engineering Department participate in SOLO SPOTLIGHT and won first place held on March 29th 2025 at Dhirajlal Gandhi of Technology.

• R.Jasvitha of III-year Civil Engineering Department participate in QUIZZ BUZZ and won first place held on March 29th 2025 at Dhirajlal Gandhi of Technology.

• N.Nithish of III-year Civil Engineering Department participate in MASTERING OF PLAN and won first place held on March 29th 2025 at Dhirajlal Gandhi of Technology.

• P.Gowtham of III year Civil Engineering Department participate in MASTERING OF PLAN held on March 29th 2025 at Dhirajlal Gandhi of Technology.

Paper Presentation by the Students

• K.Santhoshkumar of IV-year Civil Engineering Department participated in PAPER PRESENTATION held on March, 2025 at Dhanalakshmi Srinivasan College of Engineering

• R.Asiskaran of IV-year Civil Engineering Department participated in PAPER PRESENTATION held on March, 2025 at Dhanalakshmi Srinivasan College of Engineering

• M.Dharun of IV-year Civil Engineering Department participated in PAPER PRESENTATION held on March, 2025 at Dhanalakshmi Srinivasan College of Engineering

Mr.S.Southamirajan, AP/Civil Engineering,

- FDP on 'GIS and Remote Sensing Application in Civil Engineering for Sustainable Energy and Climate Management' organized by Buddha Institute of Technology, Uttar Pradesh on 20.01.2025 to 25.01.2025.

- FDP on 'Defect Free Construction Repair and Maintenance' organized by NITTR, Chandigarh on 16.12.2024 to 20.12.2024.

- FDP on 'Artificial Intelligence in Disaster Mitigation and Resilient Structure Design' organized by SRM Institute of Science and Technology, Ramapuram, Chennai on 03.02.2025 to 08.02.2025.

- FDP on 'Disaster Risk Management Analysis and Mitigation' organized by K.S. Rangasamy College of Technology, Namakkal during 17.02.2025 to 22.02.2025.

- FDP on 'Enhancing Infrastructure Longevity through Innovative Concrete Technologies' organized by K.S.Rangasamy College of Technology, Namakkal during 19.03.2025 to 25.03.2025.

Mr.K.Pradeep, AP/ Civil Engineering,

- FDP on 'Science, Technology and Innovation for Sustainable Development' organized by Kongunadu College of Engineering and Technology, Trichy on 27.01.2025 to 31.01.2025.

- FDP on 'Transforming Disaster Management and Resilience in Civil Engineering through Adaptive AI and Neuromorphic Computing' organized by AAA College of Engineering and Technology, Sivakasi on 10.02.2025 to 15.02.2025.

- FDP on 'GIS and Remote Sensing Application in Civil Engineering for Sustainable Energy and Climate Management' organized by Buddha Institute of Technology, Uttar Pradesh on 20.01.2025 to 25.01.2025.

- FDP on 'AI and Cloud-Based Tools for Research' organized by NITTR at Kongunadu College of Engineering and Technology from March 24th to March 28th, 2025.

Faculty Participation in Workshop :

- Dr.P.Prabhu attended workshop on 'Masterclass Series under IP Utsav' conducted by All India Council for Technical Education (AICTE) during the period 21.04.2025 to 26.04.2025.

- Dr.N.Sridhar attended workshop on 'Advances in Prestressed and Precast Concrete Structures' conducted by National Institute of Technology, Tiruchirappalli during the period 14.04.2025 to 15.04.2025.

- Dr.R.Saravanan attended workshop on "Advances in Prestressed and Precast Concrete Structures" conducted by National Institute of Technology, Tiruchirappalli during the period 14.04.2025 to 15.04.2025.

Faculty Achievements :

Dr.R. Saravanan, ASP/Civil and his team of students were selected for the Niral Tiruvizha-TNSTC project with cash award of Rs.10,000/- on the title "Sustainable Paver Block Development using Silica Fume and Granite Waste"

Mr.D. Dhavashankaran, AP/Civil and his team of students were selected for the Niral Tiruvizha -TNSTC project with cash award of Rs.10,000/- on the title "Enhancing Concrete Durability through Partial Replacement of Fine aggregate with Ceramic and Granite Waste".

NPTEL Courses of Faculty Members:

Dr.N.Sridhar, AP/ Civil Engineering

- Received "Elite + Silver" in "Remote Sensing and GIS for Rural Development" with 84% during January 2025 - April 2025.

Mr.M.Sakthivel, AP/Civil Engineering

- Received "Elite" in "Remote Sensing Essentials" with 72% during January 2025 - April 2025.

- Successfully completed "Basic construction materials" with 53% during January 2025 - April 2025.

Mr.S.Southamirajan, AP/Civil Engineering

- Received "Elite" in "Air Pollution and Control" with 73% during January 2025 - April 2025.

- Received "Elite" in "Digital Land Surveying and Mapping (DLS&M)" with 61% during January 2025 - April 2025.

Dr.R.Saravanan, AP/ Civil Engineering

- Received "Elite" in "Geotechnical Engineering - 1" with 63% during January 2025 - April 2025.

- Successfully completed "Industrial Wastewater Treatment" with 55% during January 2025 - April 2025.

Mr.K.Pradeep, AP/Civil Engineering

- Successfully completed "Maintenance and Repair of Concrete Structures" with 55% during January 2025 - April 2025.

Mr.S.Gowtham, AP/Civil Engineering

- Successfully completed "Maintenance and Repair of Concrete Structures" with 55% during January 2025 - April 2025.

NPTEL Award :

- Dr.R.Saravanan, Associate Professor, Department of Civil Engineering, Kongunadu College of Engineering and Technology. Received an award of "NPTEL Discipline Star" during the period from January 2025 - April 2025.

Resource Persons in Various Events:

- Dr.S.Kavipriya, Professor and Head/Department of Civil Engineering has given a guest lecture on "Durability study on Geo-Polymer Concrete" at Muthayammal Engineering College, Rasipuram on 20.03.2025.

- Dr.R.Saravanan, Associate Professor/ Department of Civil Engineering has given a technical talk on "Ground Improvement Techniques" at Vivekananda College of Technology for Women, Namakkal on 11.03.2025.

- Dr.R.Saravanan, Associate Professor/ Department of Civil Engineering has given a guest lecture on "Ground Improvement Techniques" at SRU - Civil Engineering School of Engineering, Telangana on 24.02.2025.

- K.Nikitha of II year Civil Engineering Department participated in PAPER PRESENTATION held on March, 2025 at KPR Institute of Technology

Seminars / Webinars / Workshops :

To acquire knowledge in various domains, our students have attended around 100 seminars, webinars and workshops in various colleges throughout India.

IIT spoken tutorial :

Spoken tutorial training was conducted by Indian Institute of Technology - Bombay (IITB), totally 99 students were benefitted through this training.

- 37 students from IV year were trained with the course 'Qcad'.

- 26 third year students attended the training course 'HTML'.

- 36 second year students attended the course 'Qcad'.

Value Added Courses :

- VACCE12 "Sketch up" - Second year Civil Engineering Students were beneficiaries through this course held from 26th May, 2025 to 31st May 2025. The Resource person was Er.M.Subramani, Software Trainer Cube Technologies, Erode.

- C.Yashwanth of IV-year Civil Engineering Department participated in PAPER PRESENTATION held on March, 2025 at Dhanalakshmi Srinivasan College of Engineering

- R.Gokul Raj of IV-year Civil Engineering Department participated in PAPER PRESENTATION held on March, 2025 at Dhanalakshmi Srinivasan College of Engineering

- D.Prakash of IV-year Civil Engineering Department participated in PAPER PRESENTATION held on March, 2025 at Dhanalakshmi Srinivasan College of Engineering
