ENGINEERING AND TECHNOLOGY

ROTARACT CLUB

About Rotaract club:

Rotaract originally began as a **Rotary International youth program** in 1968 at **Charlotte North Rotary Club** in Charlotte, North Carolina, United States. Rotary is an international Social Service Organization. It is a service, leadership, professional and community service organization (often miscommunicated as a Social Service Club) for young men and women between the ages 18–30 (membership will end upon reaching 31 years of age). Rotaract focuses on the development of young adults as leaders in their communities and workplaces. Clubs around the world also take part in international service projects, in a global effort to bring peace and international understanding to the world.

"Rotaract" stands for **"Rotary in Action"**, although the name originally comes from a combination of **"Rotary"** and **"Interact" (International + Action)**.

Motto Self Development - Fellowship through Service

- Rotaract is a part of Rotary Clubs.
- Rotaract improves the helping tendency of young growing leaders of the society.
- **Rotaract** focuses on the development of young adults as leaders in their communities and workplaces.
- To develop professional and **leadership skills**
- To emphasize respect for the rights of others, and to promote ethical standards and the dignity of all useful occupations;
- To provide **opportunities** for young people to address the needs and concerns of the community and our world
- professional leaders in order to provide **humanitarian service** and to advance goodwill and **peace** around the world

A Rotaract Club works on *avenues* like:

1. Community Service.
2. Club Service.
3. International Service.
4. Professional Development.
5. Entrepreneurship Development.
6. Sports Development.
7. Any other added by any individual club for their principles.
