

**DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE**

To,

The Principal,  
Kongunadu College of Engineering and Technology,  
Thottiyam, Trichy – 621215.

Respected sir,

Sub: Requisition for Inauguration NCSS with a Guest Lecture in AI & DS Department – Reg

We have planned to Inaugurate our department Professional bodies National Cyber Security Standards with a Guest Lecture on “**AI, Social Media, and You: Building a Secure Digital Footprint & Strengthening Cybersecurity Education**” held on 26-07-2025 in our Department. **Mr.Ramkumar Dilli**, Chief Information Officer, RCG Global Services (dba Myridius), Chennai the Guest speaker. It will be a great opportunity for our college students to attend the Program as it will be full of knowledge on Cyber Security and it will help them in the future. So I kindly request you to give us permission for organizing the Program for AI&DS students.

Thanking you,

Thottiam  
21-07-2025

  
IQAC Coordinator

  
**PRINCIPAL**

Dear Dr.Baskar,

Greetings from Myridius!

I sincerely thank you and the Department of Artificial Intelligence and Data Science at Kongunadu College of Engineering and Technology for the kind invitation to deliver a Guest Lecture during the inauguration of your National Cyber Security Standard initiative.

I am pleased to confirm my acceptance to be the resource person and deliver the session on the topic "**AI, Social Media, and You: Building a Secure Digital Footprint & Strengthening Cybersecurity Education**" on **26th July 2025** at your esteemed institution.

I appreciate the initiative your department is taking to create cybersecurity awareness among students, and I am truly honoured to contribute to this valuable effort. I look forward to interacting with your bright young minds and faculty during the session.

Regards,

Ramkumar Dilli

Chief Information Officer

Chief Information Officer - RCG Global (dba Myridius)

### Executive Summary:

Results-driven technology leader with 25+ years of experience delivering complex IT programs across Project, Management, Infrastructure Management, Cybersecurity, ERP & Business Applications, Technical Support, and SLA Management. Currently serving as CIO and Global Security Head at Myridius. Completed a Master's in Information Technology, and currently pursuing a European Professional Doctorate from Rushford University.

- Lead the planning and execution of large-scale IT transition programs, including migrations, consolidations, and system integrations.
- Collaborate effectively with cross-functional teams to define project scope, objectives, and deliverables aligned with business goals and priorities.
- Develop detailed project plans, timelines, and budgets, and manage implementation to ensure on-time, within-budget delivery.
- Decisive leader with exceptional technical expertise, strong communication skills, and proven ability to navigate complex matrix structures.
- Achieved 30-55% reduction in operational costs through strategic procurement, vendor management, process optimization, and innovative build-out models.
- Experienced in cost estimation, systems development, planning, infrastructure upgrades, and negotiation of equipment and software purchases.
- Maintained key program performance data to support executive decision-making and drive continuous improvement.
- Delivered enterprise-wide technical solutions that align business and information systems with strategic goals.
- Member of the Information Security Team, delivering operational services aligned with security frameworks; formulated and enforced policies and procedures to ensure regulatory compliance, governance, robust security controls, and reduced information risk and data leakage.
- Award winner on CISO Platforms and CIO Platforms for excellence in security leadership and IT strategy.
- Technical Member and Speaker for the National Cyber Security Standards (NCSS), actively contributing to industry knowledge sharing and best practices.
- Dedicated cybersecurity contributor with a commitment to raising awareness, promoting secure practices, and strengthening the broader security community.

### Awards & Recognitions

- ❖ CXO Junction Awards 2025 Winner – Recognizing impactful leadership and digital transformation strategy
- ❖ CXOCYWAYZ Awards Cyber Chanakya Award Recipient 2024 – Honored for excellence in cybersecurity program design and governance
- ❖ CIO AXIS Award (10th Innovative CIO Award Winner) – Celebrated for leading innovation responsibly and solving complex business challenges
- ❖ CISO Platform Award Winner (CISO Platform 100 Honoree) – Recognized among India's top 100 cybersecurity leaders for advancing enterprise security strategy
- ❖ CIO Accelerator X Awards 2025 – Recognized among India's top 500 CIOs and IT Leaders

### Community & Thought Leadership

- ❖ Serve as a trusted advisor to executive leadership, board members, and other stakeholders on IT-related matters.
- ❖ Technical Member, NCSS – Supporting national cybersecurity policy, awareness, and curriculum design
- ❖ Guest Speaker & Jury – ACM-W India, Hack Synergy, SRMIST NanYukthi TechHack
- ❖ Guest Speaker & Jury – Hackathon, Saveetha Engineering College
- ❖ CISO Platform 100 Honoree – Recognized as one of India's leading security strategists
- ❖ Active Contributor – Promoting responsible GenAI adoption, DPDG readiness, and vendor risk management frameworks
