

**KONGUNADU COLLEGE OF ENGINEERING AND TECHNOLOGY
(AUTONOMOUS)
WOMEN DEVELOPMENT CELL**

Women Development Cell was established in the college during 2012-13.

MOTTO: "Educating Women is Educating Generation"

Aim:

The cell aims to empower girl students, to enhance understanding of issues related to women and to make the college campus a safe place for women students.

Objectives:

- To create awareness among the girls about the society
- To promote a culture of respect and equality for female gender.
- To remove the inferiority, shy and fear
- To impart the knowledge of various subjects
- To prevent any kind of women harassment in the campus
- To motivate to become an Entrepreneur

Activities:

- Seminars/Workshop/Conference
- Personality Development Programs
- Women Health Development Programs
- Interacting with women achievers from various fields
- Competition and Games
- Women's Day Celebration
